

# 5 Fast Facts—Abortion

**Subject:** Abortion is murder

**Context:** In most countries abortion is legal, but it is a moral issue that Churches & others should condemn

1. Abortion is murder. Humans are formed in the “**image of God**” – therefore all Human life has value (**Gen 9:6**) including the “right to life”. Scripture considers the unborn as “human life” & proclaims the **death penalty** for taking the life - even of the unborn (**Ex 21:22-23**). God sees the death of the innocents (such as children offered to Baal in sacrifice) as unbelievably evil & abhorrent (**Jer 19:4-6, Isaiah 57:4-5**)

**Gen 9:6** "Whoever sheds man's blood, By man his blood shall be shed; For in the **image of God** He made man.

**Exo 21:22-23** "If men fight, and hurt a **woman with child**, so that she gives birth prematurely, yet no harm follows, he shall surely be punished accordingly as the woman's husband imposes on him; and he shall pay as the judges *determine*. But if *any* harm follows, then you shall give **life for life**...

**Jer 19:4-6** "Because they have forsaken Me and made this an alien place, because they have burned incense in it to other gods whom neither they, their fathers, nor the kings of Judah have known, and have filled this place with the **blood of the innocents** (they have also built the high places of Baal, to **burn their sons with fire** *for* burnt offerings to Baal, which I did not command or speak, nor did it come into My mind), therefore behold, the days are coming," says the LORD, "that this place shall no more be called Tophet or the Valley of the Son of Hinnom, but the **Valley of Slaughter**.

**Isa 57:4-5** Whom do you ridicule? Against whom do you make a wide mouth *And* stick out the tongue? *Are* you not children of transgression, Offspring of falsehood, Inflaming yourselves with gods under every green tree, **Slaying the children** in the valleys, Under the clefts of the rocks?

2. Slippery slope – Abortion was promoted as needing to be “safe, legal and rare” – an **exception** that may be needed in the case of **rape, incest, health the mother**. These “exceptions” are only **1.75%** of abortions. Today the US has around **900,000** abortions per year (worldwide there are **56 million** abortions per year). **98.25%** of abortions are a matter of **convenience** (birth control).

3. Rather than treat abortion as a “necessary evil”, the Left in 2019 has heralded abortion as a **positive good**, a personal undertaking to “celebrate” as an act of “feminist independence”. The “ShoutYourAbortion” campaign attacks public figures who don't support abortion at any point of the pregnancy including “partial birth abortion” and allowing viable babies (born alive) to die if this is the will of the mother – (clearly this has NOTHING to do with a woman's right to make decisions about **her own body**... when the baby is already born alive)

4. **Framing & deception.** Organizations (like Planned Parenthood) NEED to keep many facts & procedures of abortions hidden. (Eg the barbaric process of grabbing & crushing body parts with tools to clear the womb of arms, legs, torso, head). Planned Parenthood is also **facing charges** due to “hidden camera” sting operations that caught them SELLING FETAL BODY PARTS – for transplants, etc – to increase profits. The falsities involved with Abortion are ridiculous – describing the “stages of human life” in the womb as a “glob of cells” (instead of a human life) is deception – for people who WANT to “get rid of their baby” so they are eager to “**believe the lie**” & repeat the lie.

5. **Today** billboards exist in **poor areas of cities** “Abortion is sacred,” “Abortion is a family value,” “Abortion is safer than childbirth” and “Abortion is a blessing.” Margaret Sanger when founding Planned Parenthood strongly believed in Eugenics, and its underlying goals, to stall the birthrate among black Americans, Native Americans, other nonwhites and the physically and mentally disabled.

6. (added point!) **Abortion is promoted as Reproductive Healthcare.** This is a very subtle and sinister method of promoting the acceptance of this unconscionable so called Healthcare procedure. The fact is, as much as our culture would like us to accept this as normal, using "**moral relativism**" as our reference for embracing this procedure, it remains **unacceptable** based on the biblical proof that all life is sacred and the **commandment** requires us **not to "commit murder"** (You shall not kill). We must be circumspect about our **human reasoning** and not fall into the trap of **Humanism** that employs **incrementalism** to influence our approval. As Christians, we are required to view life from **God's perspective** and His will in our lives should be paramount. Abortion, is **not** an acceptable method for handling unwanted pregnancies.

(NKJV) Exo 20:13 "You shall not murder.
