Greetings Brothers and Sisters in Jesus Christ. It is one year on from our last update, and it has been a year of stability and strengthening of our small but dedicated flock here in the UK, along with continued growth and zeal in CGI Pakistan and Kenya.

Pastor Ramocan continues to preach via Skype to these dedicated followers of Jesus Christ in Pakistan and Kenya each Sabbath prior to attending with the UK Brethren in the afternoon.

Pakistan continues to grow at an amazing rate, with around 600 in attendance for the Day of Pentecost. They are led by Pastor Zeeshan, and it is our prayer that God will open a door that will allow us to access Pakistan in order for him to have hands laid upon him.

The same applies to our Brother in Kenya, Mohammed Adan. He is a former Muslim Sheikh who continues to work tirelessly for the Word, despite intense persecution. Please hold both of these men up in your prayers — they are good examples of zeal and dedication.

CGI UK has seen guests from the USA and Canada fellowshipping with us as they pass these shores, and it always adds much enjoyment to an already zealous congregation as these guests contribute to the Service with piano playing, special item music, and giving sermons and sermonettes.

This year's Passover to Pentecost season was also an exciting time for the Church here in the UK. As a result of our regular livestreaming on Facebook and YouTube, various people have made contact with us. We are pleased to announce that we had three baptisms

just prior to Passover. The delightful baptismal ceremony was a deeply moving spiritual occasion that was accompanied by the singing of hymns. Some photos from the baptism are shown on this page.

On the day of Pentecost, we held an Outreach Seminar which asked the question "Are They Lost?" — a reference to the billions of people who have lived but never knew Christ.

Although the Outreach attendance was lower than hoped for, the good news is that at least one person has shown an interest in learning more, and has already attended another Sabbath Service with us.

We are a small group at present, and our speaking schedule has grown to the point that we have four regular speakers who share the presentations of sermons and sermonettes.

We have exciting times ahead; let us pray that God will continue to spiritually strengthen His people wherever they may be.

May God bless you all.
