

5 Fast Facts—Same Sex Marriage

Subject: It is okay to be opposed to same sex marriage

Context: The Left normally attributes opposition to same sex marriage as HATE

Point – Not meeting the ideal does not mean you “hate”.

Le Divorce occurs and people don’t meet the ideal – but – you don’t drop the ideal just because it’s not met.

1. I believe the **ideal** is for a man & a woman to marry. It’s my belief **and has nothing to do with hate...** & nothing to do with the “made-up-word” homophobic. (designed to **silence** dissenters).

2. It is my **ideal** that a child should be raised by a mother & father. (**This is not hatred** toward single mothers **or** single fathers **or** same sex couples). It was President Barack Obama who said, "We all know the statistics. That children who grow up without a father are five times more likely to live in poverty and commit crime; nine times more likely to drop out of school and 20 times more likely to end up in prison."

3. We need to continue to preach from scripture (like Rom 1:26). God provides guidance to our thoughts & actions for many who opt to conform their lives to **His wisdom** that has **worked** for thousands of years.

Rom 1:26 For this reason God gave them up to vile passions. For even their women exchanged the natural use for what is against nature.

Rom 1:27 Likewise also the men, leaving the natural use of the woman, burned in their lust for one another, men with men committing what is shameful, and receiving in themselves the penalty of their error which was due.

Lev 18:22 You shall not lie with a male as with a woman. It *is* an abomination.

4. **God created** marriage & **God defines** it as a physical & spiritual union of a man & a woman for fulfillment, raising children (a strong family unit is a building block of strong nations or societies), & picturing Christ’s relationship with the Church. Same sex unions should not be “confused” with marriage even though society may bestow equal rights to the **same sex unions**.

5. After WW1, Marxist thinkers realized for the “**Marxism utopia**” to be established, required Cultural Conflict (including the destruction of Christian patriarchy) and thinkers like Herbert Marcuse in the 1960s were teaching (in the universities) lifestyles of (polyamorous) 'polymorphous perversity'. **Nowhere in the history of mankind** have we had same sex marriage – the implications are **unknown** but clearly are leading to “any” definition of marriage including polygamy, men with children, marrying pets, becoming as “equally valid”.
