

Creation Coloring Book

by Nancy Beckerdite

Here is a suggestion on how to put this coloring book together. Punch three holes in the left side of each page and fasten with paper brads, or put it in a folder. You can make an extra copy of Day 4, and use it to have the children decorate the front of their book or folder.

CREATION

Lucifer wanted to take God's throne away from Him. They had a huge fight. They threw rocks all around and destroyed the earth. Lucifer lost the battle. His name was changed to Satan. The earth was covered with black smoke and water.

Then God decided to make the earth over.

On the first day - God made the light and the dark.

On the second day - God made the air we breath.

On the third day - God separated the dry land from the waters and made the vegetation.

On the fourth day - God made the sun, moon and stars.

On the fifth day - God made the birds in the air and the fish in the waters.

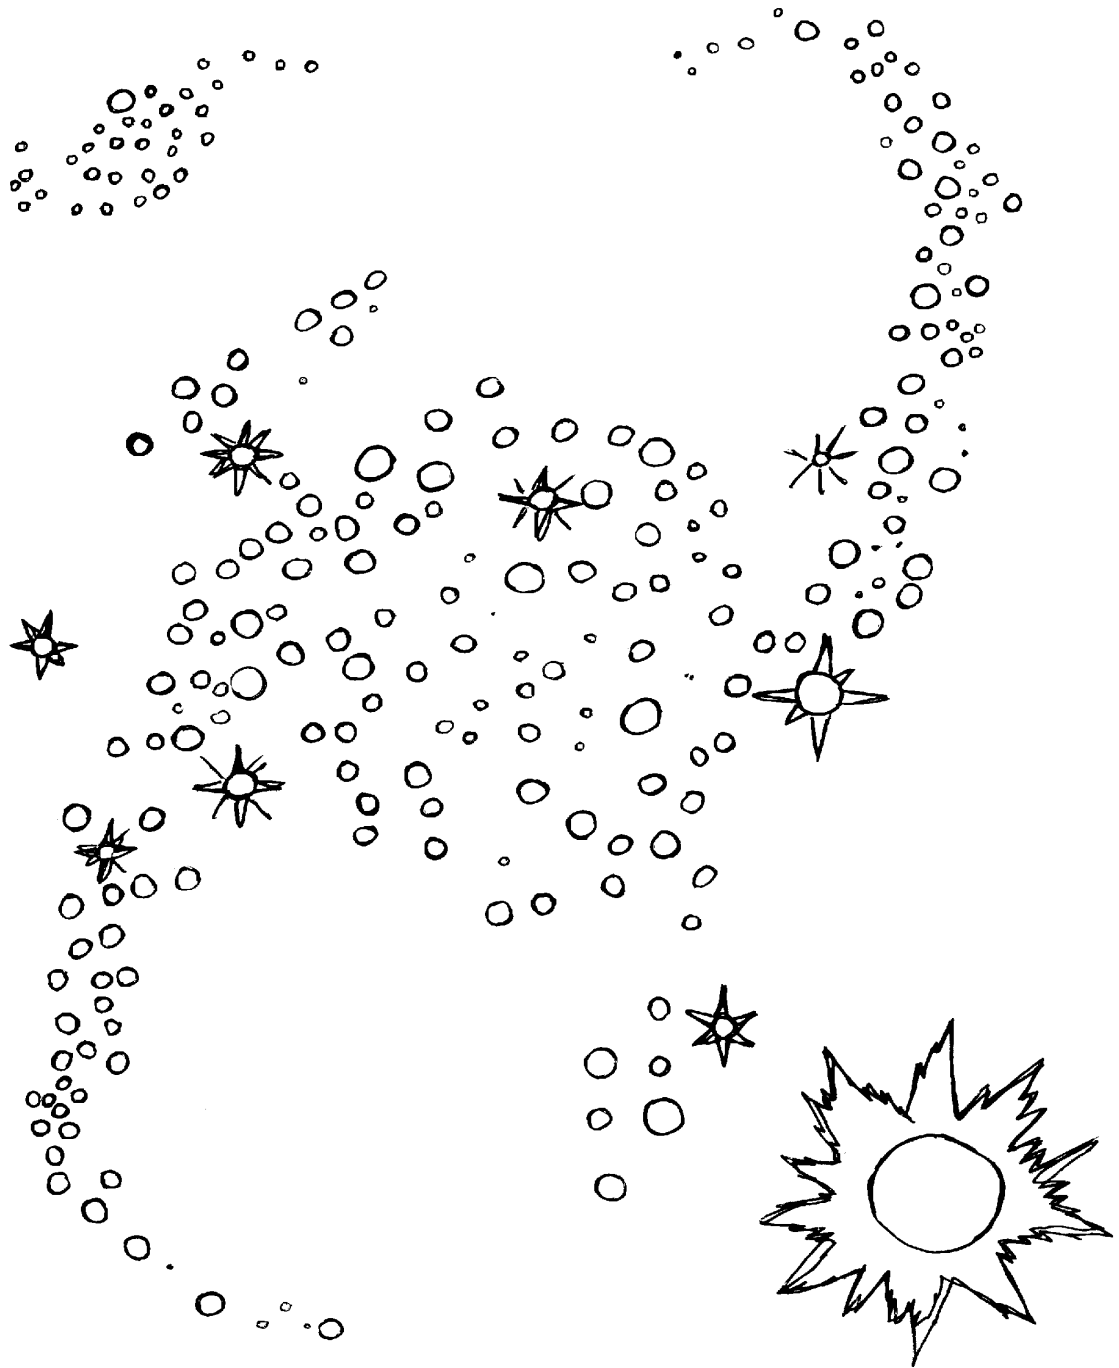

On the sixth day - God made the animals and man.

On the seventh day - God rested.

And God saw that it was good.
