

# At The Well Craft

## Materials

Brown Construction paper  
Black Construction paper  
Tape  
Scissors  
Black Marker  
Yarn  
Wooden Jar from craft store

## Instructions

Fold and cut brown construction paper in half long ways. Draw "rocks" on each length of brown paper with black marker.

Cut the black paper into 3-3 1/2" circles for the bottom of the well.

Tape the brown paper into a cylinder. Tape the black circle to the bottom of the well.

Tie a 6" piece of yarn to the neck of the wooden jar. Let students decorate the jar with markers if they like.

Place the jar inside the well with one end of the yarn hanging out of the well.
