

# David's (Foam) Slingshot

## Materials

Foam sheets in brown & gray  
Yarn cut to 18" lengths (2 for each student)  
Hole punch  
Scissors

## Instructions

Cut the brown foam sheets in half to about 4 1/4 X 5 1/2. Punch 2 holes on each end with hole punch. Thread a yarn piece through the hole at one end and tie into a knot. Repeat on other end. Fold in half to get a slight curve in the slingshot. Cut rock shapes out of gray foam sheets.
