

Family Tree Craft

Materials

Cardboard
Scissors
Crayons, paint,
markers or green
and brown
construction paper
Tape or glue

Instructions

1. Cut two pieces of cardboard into the shape of trees, 10" high.
2. Using crayons, marker or paint color the tree, or use the construction paper to cover the cardboard.
3. Starting at the bottom, cut halfway up the middle of one cardboard tree.
4. On the other cardboard tree, start at the top and cut a slit halfway down the middle of the tree.
5. Slip the two pieces together. Fold over an inch of the bottom of each tree to help the stand up.
6. Tape or glue pictures of you and your family to the tree.
