

Hand & Feet Turkey Craft

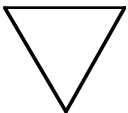

Materials

Construction paper in brown, tan, orange, red and yellow
Scissors
Glue
Wiggly eyes from craft store

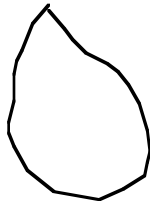

Instructions

With shoes on, trace two feet onto brown construction paper.
Trace two hands on tan, red and orange construction paper and one hand on yellow paper.
Cut the hands and feet out.
To make the turkey body glue the two brown feet together, matching the heels together and spreading the toes apart.
Cut the turkey's feet and beak out of scrap orange or yellow paper. Cut waddle out of red paper. Glue them onto turkey. Glue on wiggly eyes.
Spread out and glue all of the hand shapes except the two tan ones onto the back of the turkey to make his tail.
Glue a tan hand on each side of the turkey to make his wings.

Beak

Waddle
