

Springfield CGI Sabbath School Lessons

What Did God Create Book Craft

Materials Needed:

A copy of the book for each student
Magazines or other pictures for students to choose from

Instructions:

Put the book pages together and staple in the center to form a book. Give each student a copy of the book. Let the students look for pictures of things that God created in the magazines and cut them out. Have students glue the pictures on the corresponding pages in the God Created book. Or have students draw pictures if they prefer.

What Did God Create?
